quantity withdrawn, diverted or consumptively used prior to the change of ownership.

[71 FR 78579, Dec. 29, 2006, as amended at 73 FR 1273, Jan. 8, 2008; 73 FR 78620, Dec. 23, 2008; 75 FR 60620, Oct. 1, 2010; 77 FR 8099, Feb. 14, 2012]

### § 806.5 Projects that may require review and approval.

(a) The following projects, if not otherwise requiring review and approval under § 806.4, and provided that the project sponsor is notified in writing by the Executive Director, may be subject to Commission review and approval as determined by the Commission or the Executive Director:

(1) Projects that may affect interstate water quality.

(2) Projects within a member state that have the potential to affect waters within another member state. This includes, but is not limited to, projects which have the potential to alter the physical, biological, chemical or hydrological characteristics of water resources of interstate streams designated by the Commission under separate resolution.

(3) Projects that may have a significant effect upon the comprehensive plan.

(4) Projects not included in paragraphs (a)(1) through (a)(3) of this section, but which could have an adverse, adverse cumulative, or interstate effect on the water resources of the basin.

(b) Determinations by the Executive Director may be appealed to the Commission within 30 days after receipt of notice of such determination as set forth in § 808.2.

### § 806.6 Transfer of approvals.

(a) An existing Commission project approval may be transferred or conditionally transferred to a new project sponsor upon a change of ownership of the project, subject to the provisions of paragraphs (b), (c) and (d) of this section, and the new project sponsor may only operate the project in accordance with and subject to the terms and conditions of the existing approval pending approval of the transfer, provided the new project sponsor notifies the Commission within 90 days from the

date of the change of ownership, which notice shall be on a form and in a manner prescribed by the Commission and under which the new project sponsor certifies its intention to comply with all terms and conditions of the transferred approval and assume all other associated obligations.

(b) An existing Commission project approval for any of the following categories of projects may be conditionally transferred, subject to administrative approval by the Executive Director, upon a change of ownership and the new project sponsor may only operate such project in accordance with and subject to the terms and conditions of the transferred approval:

(1) A project undergoing a change of ownership as a result of a corporate reorganization where the project property is transferred to a corporation by one or more corporations solely in exchange for stock or securities of the transferee corporation, provided that immediately after the exchange the transferor corporation(s) own 80 percent of the voting stock and 80 percent of all other stock of the transferee corporation.

(2) A project being transferred to the transferor's spouse or one or more lineal descendants, or any spouse of such lineal descendants, or to a corporation owned or controlled by the transferor, or the transferor's spouse or lineal descendants, or any spouse of such lineal descendants, for so long as the combined ownership interest of the transferor, the transferor's spouse and/or the transferor's lineal descendant(s) and their spouses, continues to be 51 percent or greater.

(3) A project involving the transfer of land used primarily for the raising of food, fiber or forage crops, trees, flowers, shrubs, turf products, livestock or poultry, or for aquaculture, to the extent that, and for so long as, the project's water use continues to be for such agricultural water use purposes.

(4) A project that satisfies all of the following conditions:

(i) The existing Commission approval is less than ten (10) years old.

(ii) The project has no associated precompact consumptive water use.
